Oral argument was held regarding Defendant's motion for summary judgment (ECF No. 44) and Plaintiff's cross-motion for summary judgment (ECF No. 56). Counsel appeared in person and entered their appearances. After Attorney Troutman presented argument related to Defendant's motion for summary judgment, Attorney Manning presented a response on behalf of Plaintiff and argument related to her cross-motion for summary judgment. Both counsel then provided additional argument related to their respective positions.

After counsel completed their presentations, the Court noted that a written decision will later be issued. After counsel indicated that there were no further issues to discuss, the Court ended the hearing.
